OF INDIA'S MOST LUXURIOUS EXPERIENCES

Über-posh holidays—and other indulgences of body and mind

FROM HERE TO INFINITI

Cruise around the Andaman islands in a luxury ship. Dive in the coral gardens around Barren Island, or get up close and personal with sharks around the southern islands like Cinque, Sisters and Passage, or check out WWII-era wreckage of Japanese warships off Duncan Islands. *Infiniti Live-Aboard*, a large four-decked ship, takes groups of up to 12 people on cruises around the archipelago, visiting dive sites and other little-seen areas of the Andamans' pristine island ecology. For a slower pace, lounge around on the sundeck or enjoy the lounge entertainment system. Weather permitting, the cruise also offers island barbecues and stargazing. (dive packages: \$1,499, non-dive packages: \$1,199, taxes extra; infinitiliveaboard.com)
